

Candidates for GNHA BOG

Currently there are four candidates for the three open positions on the GNHA BOG. Election is on Saturday, June 28 at 9:00 am at the GNHA Clubhouse. These positions are for three-year terms. Additional candidates can be nominated from the floor at the June election meeting. Please find below statements from all four candidates.

My name is **Daniel Anselmo**. Over the last ten years of serving on the GNHA board, I feel I have had great success leading and supporting GNHA members. I take great pride in my efforts to keep the family environment going by volunteering over the last 14 years and hosting events, including holiday bonfires at the beach, potluck and pasta dinners, breakfasts, ice cream/tie die events, and many other events at the clubhouse. The big achievement is reviving and co-organizing with the GNHA president Bingo Nights after a 50-year hiatus. I know when I'm 'on board,' GNHA is always a safer place with many compliments from membership. My family and I have been residents of East Lyme since 1947 and members of GNH since its infancy in 1953, now living at 79 Spring Glen. I live and breathe GNH and I know I have made a positive difference here in GNHA. For more info, contact danielanselmo65gnh@gmail.com

My name is **Terence Donovan** and I am interested in being a candidate for the GNHA BOG. I have owned and lived at 25 Woodbridge Rd for over twenty years now. I have been in the construction field for over 36 years. I am currently a self-employed plumber/general contractor after previously working for an Old Lyme company for approximately 28 years. I also have served as an elected official for the Zoning Commission for the town of East Lyme for over ten years over ten years and I am currently a sitting member of our Association's Entertainment and Ordinance Committees. I do believe that I have the experience to assist the Association with its governing board. Please feel free to contact me for more info at terry@terencedonovan.com

I'm **Tom Misenti** and live at 37 Spring Glen. I have served on the GNHA board since 2022 as beach chairman. I have volunteered on the cleanup days and the breakfast at the clubhouse and bingo nights. I have organized the tremendous volunteer group that puts out and takes in the winter snow fence at the beach. The volunteers that I organized also put out and take in the beach buoy lines, saving the association \$1200.00 per year. After the

death of the person (Harry Plaut) who used to clean the beach, I secured the services of the new beach cleaner who has done an excellent job. Over the years I have worked as an auto insurance claims processor and managed real estate. I also have extensive experience with scuba diving and have served as president of Connecticut's Professional Association of Dive Instructors Five-Star IDC Training Facility. I'm also very much involved with UNICO. For more information, t.misenti@gmail.com

My name is **Jeremy Rose**, and I live at 47 Woodbridge Rd with my wife, Jennifer Lutzen Rose, and our two sons. I have been connected to the GNHA community for the past 27 years. My wife grew up in the neighborhood on White Birch Circle from 1973 until 1998. Her father, Greg, and mother, Fran, were involved in the GNHA community for many years in various roles. I would like to help serve our community as they did for so long. We originally rented a house on Bayview Ave during the summers for many years and were finally able to build our home on Woodbridge Rd three years ago. Since moving in, I've been involved in many community activities, including installing and removing the buoys, putting up and taking down the wind fence at the beach, and, most recently, helping with monthly bingo nights at the clubhouse. Outside of GNHA, I've been a lineman for Eversource Energy for 23 years. Currently, I serve as a full-time representative for the International Brotherhood of Electrical Workers Local 457. In this role, I've been involved with many community-related events, such as the Special Olympics Penguin Plunge, the IBEW 420/457 CT Children's Hospital Charity Golf Tournament, and the Hartford St. Patrick's Day Parade.
