Old Business

GNB collaboration:

T. Donovan contacted C. Brienza via cell phone for discussion. Mr. Brienza updated the committee on where the GNBA interest is in working together for our associations and expressed that they would very much like to do so. GNBA has a Beach Committee and after a brief discussion it was mentioned that a committee/board social event with our associations could be beneficial. Mr. Brienza also expressed interest in the possibility of sharing costs for East Lyme Police during holidays and for future security. It was said that this committee cannot make those decisions but only recommendations to the BOG and suggested that he or a representative attend the next BOG meeting. Mr. Donovan will contact GNHA President and ask that it be added to the agenda under Committees.

Enforcement:

Continued discussion of the proposed design of the ticket and the language. T. Donovan to make edits to the proposed language that was priorly discussed and send to committee members to review and will be discussed at next meeting.
